BARE 7MM ULTRAWARMTH DRY HOOD

€85,00

- Celliant® Infrared Technology met full –stretch ELASTEK
- ELASTEK buitenmateriaal en high-loft Celliant® binnenstof
- ELASTEK/GLIDESKIN-IN face en neckseal
- Hals van de cap combineert perfect met droogpak neckseal of wetsuit kraag.
- BARE’s GEN2 capventilatie laat gevangen lucht ontsnappen zonder dat er water in komt
- Maskerband-grippad op achterzijde houdt maskerband op zijn plaats
- Dubbel gelijmd met SECURE-LOCK-naadconstructie verbetert de isolatie en vermindert de doorstroming van water

SKU: B003468BLK-1
Category: Cap
Tag: Bare

MEASURE YOURSELF

Your suit may fit perfectly but sometimes little things can affect a diver's experience. A hood that bunches or lets water in is just enough discomfort to change the focus of a dive. Our hoods are designed with anatomical fit so it is important to measure for the perfect fit.

FOREHEAD: Start in the center, front and measure around the widest part.

NECK: Start in the center, front and measure around the middle of the neck.

HOODS UNISEX SIZING – FIND YOUR SIZE

FOREHEAD	53 cm	54.5 cm	57 cm	59.5 cm	61 cm	62.5 cm
NECK	35 cm	35.5 cm	38 cm	40.5 cm	43 cm	45.5 cm
YOUR SIZE	XS	S	M	L	XL	2XL
