### BARE 7MM ULTRAWARMTH DRY HOOD

€85,00

- Celliant® Infrared Technology met full -stretch ELASTEK
- ELASTEK buitenmateriaal en high-loft Celliant® binnenstof
- ELASTEK/GLIDESKIN-IN face en neckseal
- Hals van de cap combineert perfect met droogpak neckseal of wetsuit kraag.
- BARE's GEN2 capventilatie laat gevangen lucht ontsnappen zonder dat er water in komt
- Maskerband-grippad op achterzijde houdt maskerband op zijn plaats
- Dubbel gelijmd met SECURE-LOCK-naadconstructie verbetert de isolatie en vermindert de doorstroming van water

---

**SKU:** B003468BLK-1

**Category:** [Cap](#)

**Tag:** [Bare](#)

### MEASURE YOURSELF

Your suit may fit perfectly but sometimes little things can affect a wetsuit's experience. A hood that bounces or lets water in is just enough discomfort to change the focus of a swim. Our hoods are designed with anatomical fit so it is important to measure for the perfect fit.

**FOREHEAD:** Start in the center, front and measure around the widest part.  
**NECK:** Start in the center, front and measure around the middle of the neck.

### HOODS UNISEX SIZING – FIND YOUR SIZE

| FOREHEAD | 55 cm | 56.5 cm | 57 cm | 58.5 cm | 60 cm | 61.5 cm |
|----------|-------|---------|-------|---------|-------|---------|
| NECK     | 35 cm | 35.5 cm | 36 cm | 36.5 cm | 37 cm | 37.5 cm |
| SIZE     | S     | S       | M     | M       | L     | L       |
