

STAHLSAC STEEL BACKPACK

€159,00

The lightweight and versatile Steel Backpack combines practical design features like the laptop compartment with dynamic features such as a detachable dry bag with the exclusive WETDRY storage system, allowing you to separate your wet gear from other, dry items. Padded shoulder straps and sturdy grab-handles keep you comfortably charging ahead, and internal mesh pockets let you stow valuables—such as your keys, wallet, phone—in a sensible, organized fashion. A perfect beach bag for packing wet and dry items simultaneously before and after pursuing your passion in the water.

Dimensions: 48 x 33x 22 cm (volume 35 l).

SKU: S0888913BLK
Category: Tas
